MLFFOpt package

User License Agreements

Please complete this form, scan and email it to Prof. Jing Ma via majing@nju.edu.cn

(Dated: September 04, 2023)

All requestors for our software MUST agree to the following agreements:

1. I will not use this package for any commercial use.

2. I will not redistribute a copy of this package to a third party. Instead, I will refer any requests for copies of the package to you at Nanjing University.

3. Publications in which the package is used should cite our software as: "Yang Ge, et al., "Machine Learning-Guided Adaptive Parameterization for Coupling Terms in a Mixed United-atom/Coarse-Grained Model for Diphenylalanine Self-assembly in Aqueous Ionic Liquids.""

4. Anyone in your research group is covered by the license and may share your copy of this package on all of your group's computer resources.
